The provisions of this clause are without prejudice to the Underwriters' rights of cancellation in the clause headed "Premium Payment Clause" in these conditions.

CO-OPERATION CLAUSE

The Assured shall, at the request and expense of Underwriters, co-operate in all reasonable and necessary steps required by Underwriters.

EXCESS CLAUSE

LSW 1001 SEVERAL LIABILITY NOTICE

This insurance does not cover any loss or damage which at the time of the happening of such loss or damage is insured by or would, but for the existence of this policy, be insured by any other existing policy or policies had this insurance not been effected.

OBSERVANCE

It is a condition precedent under this policy that all statements and representations contained within the proposal shall be truthful, duly observed and fulfilled.

PREMIUM PAYMENT CLAUSE

It is hereby agreed between the Underwriters and the Assured that in the event of the Assured, or their agents on whose instructions insurance may have been effected, failing to pay Underwriters (or their authorized agents "Representatives") the premium or any instalment thereof on the due date, or failing to submit the necessary documentation for an invoice to be raised;

a) this policy may be forthwith cancelled by Underwriters (or on their behalf by their Representatives). The foregoing is subject to Underwriters or their Representatives giving 10 calendar days notice in writing to the Assured, or their agents on whose instructions insurance may have been effected or in accordance with the terms and conditions of any letter of undertaking that may be issued in favour of any assignee or mortgagee of this insurance. Where cancellation occurs due to failure by the Assured (or its agent) to make any payment at all, the insurance shall be void ab initio once the cancellation notice has become effective. If part payment has been made, the insurance may be cancelled on a pro rata basis and the Underwriters shall only accept time on risk for the period in respect of which payment has been made.

b) will delay the payment of any claim presented and agreed for settlement under the policy. If cancellation occurs due to failure by the Assured (or its agent) to make any payment at all, claims which would otherwise have been covered by the insurance will be rejected entirely.

PREMIUM CLAUSE

The Deposit Premium is payable to Underwriters at inception of the policy and is adjustable on expiry at the agreed rate on the certified gross annual turnover, subject to a minimum premium of 100% of the deposit unless specifically agreed by Insurers.

UNLAWFUL TRADING

No provision of this policy shall extend to cover any liability of whatsoever nature directly or indirectly caused by or contributed to or arising from any unlawful trade or any service provided in respect of unlawful goods where such liability shall have arisen as a result of the knowing or reckless involvement of the Assured or any associated or connected company or individual or their employees. Cover shall only be available in respect of any such liability where the Assured can show that the liability has arisen through the unwitting involvement of the Assured in any such trade or service and where the Assured has established and maintained proper systems or precautions to prevent such involvement. The burden of proving that such liabilities are covered shall be upon the Assured.

IMPORTANT INSTRUCTIONS IN EVENT OF LIABILITY CLAIM

In the event of an incident taking place that could give rise to a claim, the assured should ensure that they hold all sub-contractors responsible in writing for the incident and report the matter to Underwriters.

The assured should also take all reasonable steps to mitigate the loss.

The Assured shall as a condition precedent to their right to be indemnified under this Policy give to the Underwriters immediate notice in writing:-

(i) of any claims made against them or;

(ii) of the receipt of notice from any person of any intention to hold the Assured responsible for the results of any breach of professional duty in connection with the Assured's business as defined and covered by this policy and shall in either case upon request give to the Underwriters such information as the Underwriters may reasonably require. This duty continues after the expiry of the policy period;

(iii) the Assured shall not admit liability for, or settle any claim, or incur any costs or expenses in connection therewith, without the written consent of Underwriters, who shall be entitled to take over and conduct the defence or settlement of any claim in the name of the Assured;
