

An Hour for Others - Business Development Open Day Invitation

An Hour for others is a registered charity based in Liverpool, bringing business and individuals together to provide both resources and assistance to empower individuals, families & the elderly to support building better communities to inspire positive change.

The 5 Areas of Support are:

- Health and Well Being Groups - to ensure inclusion groups for everyone to help with both physical and mental health
- Unity in the Community - ensuring business meet their corporate social responsibilities
- Acts of Kindness – providing lifetime experiences and support during Christmas and helping clothes banks / school uniforms etc.
- Bedroom Refurbishments – Ensuring children have a safe and warm place to sleep, which supports mental health, sleep deprivation and concentration at School
- School Holiday Children Groups – Empowering children to be the best they can be and ensuring they understand their important role in community and to be kind, considerate and think of others.

The true benefits to the local community and examples of such work can be found as per link: <https://www.anhourforothers.co.uk/pages/social-value>
